Bench cut-outs should not be undertaken based on these dimensions

DESCRIPTION

Our European heritage, combined with a passion for innovation, has taught us that design should perform as beautifully as it looks.

Sardinia, with its extra rounded corners offer a more organic, industrial look for your kitchen space. Seamless flush mount look is the first breakthrough in stainless steel design in more than a decade.

With superb quality, unlimited design possibilities and precision finishing. Paco Jaanson has proven that the sink is more than just a functional element in the kitchen.
