## get smart

Not disciplined enough to turn your appliances off at the wall? The Crest Electronics Earth Smart power board turns off all connected standby power when the main device is switched off, reducing power usage significantly. It also protects connected devices from power surges and spikes. Get it from The Good Guys, WOW Sight and Sound, Retravision and Bing Lee stores. RRP \$249.95

## sitting pretty

Log onto The Design Establishment's website to check out the latest Forli chairs, ottomans and stools. The company is based in Sydney but they'll happily ship to Brisbane. Pictured is the Forli Woven Chair and Stool in black (RRP \$495).
