WINDOW WONDER

THE LUXAFLEX WINDOW Fashions range of fabrics is being expanded with the release of the stunning Atmosphere, Marrakech, Lou Lou and Santiago collections, now available through Luxaflex Window Fashions galleries nationwide. For more information on your local Luxaflex Window Fashions Gallery call p 13 58 92 or visit www.luxaflex.com.au.

STYLE ON TAP

NUOVA SHOWERS ARE beautifully crafted in Italy by the dynamic bathware design team Nuova Osmo. The collection consists of five pieces including the single function Vega, Stilo (pictured), Saturnia and Ellittico, and also the five-function Omega shower. All models come with a twist-free swivel connection hose as well as anti-calcinations. Distributed nationally through Paco Jaanson.

eternal flame

STYLISH, SOPHISTICATED AND beautifully designed in black and stainless steel, the new VioFlame fireplace from Black and Stone is super easy to use and install. It can be wall-mounted or left freestanding, and because it's ethanol fuelled, it's also clean and green. Six models are available in the range, priced from \$550 to \$950.

PURPLE HAZE

CHECK OUT TARGET'S gorgeous winter homewares 2009 range of lighting, tableware and soft furnishings. I love the soft, feminine palette of pinks and purples, as seen in the Haven glassware range pictured, priced at \$4.99 per glass.
