 STYLE GUIDE**

Bathrooms have taken on a whole new identity of late, with colour, texture and high-end materials dominating.

**MORE THAN JUST  
 A BATHROOM...**

Layered decorating is taking over the whole house, with utilitarian spaces such as laundries, kitchens and bathrooms taking on the ambience of cosy sitting rooms. As bathrooms become larger, there's room for occasional furniture and dressing areas alongside the ever-more-popular freestanding baths and console-style basins. The bathroom above, featuring Hansgrohe Axor fittings, embraces the trend to a tee. (03) 9811 9971 or [www.hansgrohe.com.au](http://www.hansgrohe.com.au).

**Great imitations**

Replica marble is winning brownie points with those for whom the real deal is not an option. From left: I Bianchi in Palissandro and Marmi in Gold and Brown, all from \$130/m2. Di Lorenzo Tiles; (02) 8818 2999 or [www.dilorenzo.net.au](http://www.dilorenzo.net.au).

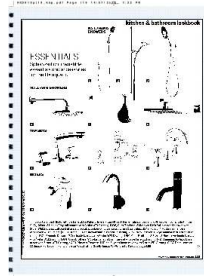

**Clear winner**

Glass is fast becoming a fixture in bathrooms – and not just for frameless shower screens. The Riflessi Laguna wash basin, left, is blown from Murano glass. The range also includes bold colours. \$2750, from Paco Jaanson; 1800 006 260 or [www.pacojaanson.com.au](http://www.pacojaanson.com.au).
