

inside & out

Chocolate and caramel hues make this sleek design a welcome comfort after a long day at work or play.

THE WOW factor

WITH INSIDE & OUT EDITOR, JULIE SNOOK

The winner of the 2010 Master Builders & Boral Excellence in Building Awards for Bathroom Design & Construction less than \$25,000 was created by Wayne Goodwin Building Services / MMM Interiors. The judges highly commended this bathroom design on its 'wow factor' and immaculate presentation.

3 TOP TIPS

Secrets to a stylish bathroom:

- Style can be practical. Regardless of taste or budget, it is possible to maintain a sophisticated bathroom with all the conventional practicalities.
- Use space wisely. Many bathrooms are small in size so it is important to utilise the available area and be smart with storage.
- Be personal. Continue the style and feel of the house throughout the bathroom while items such as candles and small artworks can add a personalised element.
