Gesto mixer

## Smart mixer for kitchen

PACO Jaanson has brought ingenious assistance to the kitchen in the form of Gesto.

The new addition to the kitchen mixer family at Paco Jaanson is the structural design Gesto, by young Italian designer, Luca Galmarini.

Galmarini is a freelance designer often associated with the Maurizio Duranti architecture and design studio, Italy.

Available in two varieties, Gesto will slot in to any kitchen space, large or small. There is also the commercial-style Gesto kitchen mixer with spray extension.
