STUNNING *simplicity*

Less is more in this stunning Canberra bathroom. While such a generous space may not be attainable in every home, for those revamping their bathroom, simplicity is the key.

GET THE LOOK

How you can get the look in your home, advice courtesy of Sanctum Interior Design principal designer, Karen Ligdopoulos:

- A neutral palette for the floor and walls with crisp white accessories and basins creates a functional, sophisticated bathroom.
- A walk-in shower opens up the room and allows an abundance of light to flow through.
- Utilise every last inch of space and keep it uncluttered.
