Award-winning Spanish designer Antonio Miro has composed an innovative collection of stunning tapware. Preferring simplicity and attention to detail, Miro is influenced by the Mediterranean, the city of Barcelona, art, music and, interestingly, architecture. Concealed tap handles emphasise the collection's sleek style, and the glossy chrome finishes create a beautiful mirror effect. The range also has a 5-star WELS rating. The Antonio Miro tapware collection is distributed through Paco Jaanson. Details: Call 1800 006 260 or visit www.pacojaanson.com.au
