The Ora-Ito towel shelf.

The fitting art of design

Ora-Ito is again pushing the boundaries as French designer Ito Morabito unveils his bathroomware range.

The entire Ora-Ito collection strips down the purity of design to create curvaceous shapes in stainless steel and resin

to complement any bathroom interior.

Midway between art and design, it includes fittings such as toilet-roll holders, towel rails and shelving.

The range is available at Hardware & General, 60 Darley Rd, Mona Vale.
