**BE SQUARE:** Let inspiration flow through the cubic canvas of the latest tapware collection by Paco Jaanson, Scondro. Mounted on a solid stainless-steel base, the basin and shower mixer will merge with bathroom walls to create an

architectural centrepiece. Carry the theme through to the kitchen with the Scondro Kitchen Sink Mixer. The tap extension allows for easy manoeuvring when cleaning dishes. For details go to [www.pacojaanson.com.au](http://www.pacojaanson.com.au)
