

Paco Jaanson unveils new kitchen sinkware collection

Four new adaptable ranges of stainless steel sinks provide solutions for kitchen and laundry environments. The new range is practical and durable without compromising on style and offers a diverse range of options and configurations. With options of flush, inset or under mount sinks, the four ranges – Artisan, Corsica, Palermo and Sardinia – offer many features to suit any style of kitchen. All can be complemented with accessories including timber cutting board, stainless steel colander or roll out mat drainer, which fit perfectly atop the sinks.
