# Lavish and lovely

**| Kaitlin Shawcross**

**T**he latest addition to Paco Jaanson's range of ceramic ware and bathroom furniture was designed by Italian team Danelon & Meroni.

The Etna range, from Italian company Bocchi, has contrasting curves and clean geometric lines that

create an opulent, timeless style.

The range includes a freestanding basin, washbasins, freestanding bathtub, walk-in shower cabin, wall-hung or floor-mounted toilet and bidet — all of which can be customised

Prices start at \$380 for the Etna semi-recessed or vessel basin.
