SMART BUY

LET IT RAIN

A great shower can elevate your mood and get you going so it's worth investing in a good one. Check out the latest technologies

■ EDITED BY / April Ossington

01 CLOUD CONTROL

The Cloud Cover range of ceiling showers from Rogerseller is easy to install and water efficient. This nifty in-ceiling fitting can be installed from within the room without needing access to the ceiling cavity. rogerseller.com.au

02 SLEEK SOPHISTICATION

Slimline and elegant, the Vivid hand shower in matt black from Cranmore Home was awarded a 6-star WELS rating for its water efficiency. cranmorehome.com.au

03 LIGHT UP

Designed by Japanese design studio Nendo, the Axor LampShower fuses light with water. This innovative design offers a heightened sensual experience while contributing to a cosier feel to the bathroom. Available at Hansgrohe. hansgrohe.com

04 NEW BLACK

It's interesting to see a move away from stainless-steel fixtures. For a sophisticated addition to the bathroom, the Liano Nexus collection from Caroma is now available in on-trend matt black. The overhead rain shower head creates a dramatic effect. caroma.com.au

05 FULLY FUNCTIONAL

With the ability to switch between three different spray methods, the Raindance Select E 300 3jet overhead shower from Hansgrohe offers a complete shower experience. The powerful Rain spray function is suitable for rinsing shampoo

while the gently aerated RainAir spray takes a more subtle approach. The newly developed RainStream function allows 12 individual jets to wet the entire body. hansgrohe.com.au

06 SUMMER RAIN

Available in round and square, the Rainlight shower from Rogerseller uses a low-voltage LED that provides a soft light when showering. The light activates automatically when the shower is in use and remains illuminated for two minutes after the water has been turned off. rogerseller.com.au

07 BOLD CHOICE

Angular and bold, the Vega shower head from Nuova is a contemporary addition to the bathroom. Available at Paco Jaanson, this single-function shower comes with a twist-free swivel connection hose. pacojaanson.com.au

08 DESIGNER SHOWER

Designed by Franco Sargiani for Fantini, the Acquatonica shower is a multi-functional built-in shower bar including a fixed showerhead, two mixers, diverter, two vertical massage sprays and a hand shower. Available at Rogerseller. rogerseller.com.au
