#### 07 **Phoenix Vivid Slim Line bath set**

The Phoenix Vivid Slim Line wall bath set in matt black is smart and sophisticated, adding impact to the bathroom. The slimline lever handles allow more freedom and movement. The set is part of a complete range of basin and shower tapware plus matching accessories, all in matt black.

#### 08 **Wallpaper shower column**

Designed by iB Rubinetterie, the Wallpaper shower column is discreetly built into the wall to save space. Thermostatic valves allow three functions to be used simultaneously – combined with the showerhead, this provides a deluxe, full-body shower experience.

#### 09 **Lattice towel**

Aura's new towel designs for winter feature trims and reverses to contrast and complement, each towel designed to coordinate with the others. The three new designs across three colourways are the textured Check, the bold Kolmio and the classic Lattice (pictured).

#### 10 **Kubica in-wall mixer**

Casa Lusso's new Kubica range of mixers is at the cutting edge of contemporary design. Boasting angular forms, the distinctive clean-cut shapes make Kubica both ergonomic and practical.

#### 12 **Kool Max basin**

Made from Vetro Freddo, a composition of blended glass pigments and resin, the striking Kool Max basin is delightfully smooth to the touch. Available in the colours Cognac, Rosso Ferrari, black and white, it features defined edges and an elegant yet practical shape.
