## Dimensions

203mm (w) x 531mm (d) x 1057mm (h)

## DESCRIPTION

Choosing the right shower for your bathroom is not just about good looks and design, it's also important to recognise the function you want it to perform in order to get the best possible result. It's about form + function, + the Project Range offers something for every consideration.

Project Shower Columns offer the functionality of a swivel head for the unit along the standard wall rail. All products in the collection of rail showers have handsets that can be lifted and used as a hand shower which can be used to clean the body and the shower recess.

Shower columns offer the functionality of a fixed-point shower with the versatility of a moveable handshower.
