DESCRIPTION

For over 20 years Elleci has been committed to achieve, what has always been considered the technological expression and the key point between past and future: INNOVATION.

Appearance like a natural stone. This all inspiring kitchen sink range combines natural granite and acrylic resin. Known as Granitek this super material not only offers great resistance to very high temperatures and violent impacts, it is also enriched with silver ions that inhibit the establishment and growth of bacteria.

Beautiful, timeless and strong.
