ISVEA  1962 ITALIA

Soluzione - 450mm Round Vessel Basin White  
Product Code: ISV-10SZ66045SV

## DESCRIPTION

The Soluzione collection, brings new production technologies and new design approaches to the field of vitrified ceramics.

Genesis Research & Design Innovation Center specializes in the production and design of vitrified ceramics products and gives credit to their broad product range, aesthetic alternatives and abundant design options.

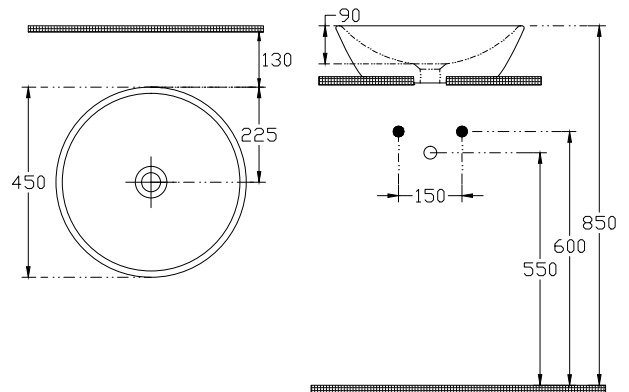

The Soluzione series offers an alternative solution that complete the aesthetic understanding by its modern design, and meets different needs by its functional structure.
