DESCRIPTION

Florence born architect Maurizio Duranti is synonymous with sophistication and style. His innovative realisation for building structures have made them as comfortable as they are beautiful, as simple as they are refined, as peaceful as they are powerful.

Duranti brings elegance to the products he touches. His understanding of smooth gently flowing lines and the effects they create with in the environment they are to be integrated has seen rise to numerous awards.

Being able to maintain classic bathroom features while giving them a distinct styling twist, has progressed him through the every growing companies he now co-ordinates with.
