DESCRIPTION

Antonio Gardoni & Federico Castelli are internationally recognized innovators in the design language shaping the experience of the space and they are designers of products combining shape, function and conceptual thoughts with communication's tools.

Every piece is shaped by a unique language structured with a particular design process aiming for beautiful bathroom solutions.

Marmo combines the Italian artisanal know-how and the industrial technology in a product that celebrates the power and durability of the material in a contemporary and light way.

Marmo introduces in the bathroom the timeless elegance of a primitive material, always associated to the pleasure of water.
