DESCRIPTION

Casa ceramic kitchen sink breaks the mold of standard geometry, to give a unique expression, an individual quality to last the test of time. Practical in application and stunningly aesthetic makes Casa a collectable piece to any home.

Each material has its own language, the final result determined by the connection between form and concept. Quality and comfort.

Elegant, spotless, and graceful, Casa's shape is as pleasing to look at, as it is easy to clean.

Note: Fine Fireclay is a natural product and therefore subject to variations. This should be seen as a quality that adds to its unique natural beauty. Variations +/- 2% to the specifications are common and acceptable and are within industry tolerance. We always recommend the cabinet maker and stone provider has the actual sink with them to measure before making cabinetry or cutting stone.
