BREEZE MECHANICAL

In-Wall Mechanical Cistern for Wall Hung Pan

Product Code: PJ-G3003

Featured with Breeze PJ-G3004108MC Push Control Plate

DESCRIPTION

Paco Jaanson concealed cisterns represent the perfect combination of quality, aesthetics and functionality. Only 80mm in thickness, the super slim cisterns comfortably fit within walls, while the 3-4.5 litre dual flush buttons help saving water.

All Paco Jaanson cisterns are equipped with ultra silent flushing mechanisms, and include a directed water stream technique to ensure noiseless refilling. Small and stylish, the plate is no more than 247x165 mm in size.

Light weight mounting brackets makes it very simple to install this cistern in the wall cavity. Paco Jaanson cisterns are designed to offer problem-free performance year after year even with hard water conditions.

PRICING STRUCTURE

Retail Pricing:
