RAINPARTY

Monolith Square Shower Column - Matt Black

Product Code: C7805B

DESCRIPTION

Choosing the right shower for your bathroom is not just about good looks and design, it's also important to recognise the function you want it to perform in order to get the best possible result. It's about form + function, + the Rainparty Range offers something for every consideration.

This large 200mm square rain shower head provides an indulgent rainfall of water. Its high quality finish and construction will look great in any bathroom, and its simple to install.

The hand showers offer the functionality of a fixed-point shower with the versatility of a moveable showerhead which can be used to clean the body and the shower recess.

Distinction and magnificence emerges from the freshness of each design piece.
