Brushed Pale Gold (EVN206IS)

DESCRIPTION

Vinile is the collection that turns up the volume on design, with an original concept that evokes the horizontal grooves typical of vinyl records, recalling a passion for Vinyl LPs that has now returned to the forefront.

The engravings on the faucet lever set the rhythm for the entire series, which is consistently adapted to each product, perfectly suited for both residential solutions and contract projects.

IB Box is a universal water mixing system which is supplied at the rough in stage regardless of the final colour of the tapware. This allows the builder to get on with his installation immediately. IB Box offers piece of mind for the water systems hidden behind the wall.

Crystal clear water
