PROJECTION

Rainfall Hand Shower with Swivel Wall Elbow Holder
Polished Chrome Set - Product Code: EV-8733

DESCRIPTION

Choosing the right shower for your bathroom is not just about good looks and design, it's also important to recognise the function you want it to perform in order to get the best possible result. It's about form + function, + the Project Range offers something for every consideration.

All products have handsets that can be lifted and used as a hand shower which can be used to clean the body and the shower recess. The handset is made of Solid Brass for longevity.

Hand showers offer the functionality of a fixed-point shower with the versatility of a moveable showerhead which can be used to clean the body and the shower recess.
